The International Certification Bio Suisse AG (ICB) confirms compliance with the Bio Suisse standards

Bio Suisse certified until 30.06.2015:

Production of olive oil from raw materials conforming to Bio Suisse standards
Production of paste of Kalamon olives according to the Bio Suisse approved recipe
Production of green olives in brine according to the Bio Suisse approved recipe
Production of Kalamon olives in brine according to the Bio Suisse approved recipe
Production of Kalamon olives with feta according to the Bio Suisse approved recipe
Trade of olive and feta products conforming to Bio Suisse standards

The decision is based on documentation provided by the following inspection/certification body: BIO Hellas, Marousi

The operation may use the logo "BIO SUISSE ORGANIC" on its products (including on its website, on containers, delivery notes, invoices, etc.). The logo can be downloaded as a .jpg file from the ICB website (www.icbag.ch). Products that have been certified by ICB as "in conversion" must also be clearly labelled as "in conversion" products.

International Certification Bio Suisse AG

Decision No.: ICB-00536-2015
Operation No.: 111043

Andrea Seiberth
Managing Director
Basel, 07.04.2015

This certificate will only be valid for the same period as the organic certificate issued by the aforementioned inspection body and only for the duration of the contract of inspection with that same body. This document is the property of ICB. It can be reclaimed at any time should the Bio Suisse standards be violated. The certificate does not entitle the holder to use the Bio Suisse Bud label, nor does it guarantee marketing product in Switzerland. When domestic supplies are sufficient Bio Suisse is obliged to restrict imports. ICB certificates will be put online at easy-cert.
